LEGAL & POLITICAL STRATEGIST | NONPROFIT LEADER | COMMUNITY ADVOCATE

Los Angeles, California. | abg.manuelpolanco@gmail.com mp@indigogroups.org | +1 (321) 324-6857

Guided by the philosophy “Repensando el Futuro” (“Rethinking the Future”), I focus on bridging opportunity and need, particularly for the Hispanic community and emerging youth leaders. My experience spans founding Panas Sin Límites in Venezuela during a humanitarian crisis, launching Grupo Indigo in Latin America, and establishing Indigo Group in the United States (beginning operations in 2025). As a political advisor, university professor, and multiple-award recipient, I have participated in numerous international conferences with organizations such as the Organization of American States (OAS) and the Summit of the Americas, where instruments like the Los Angeles Declaration on Migration and Protection for the protection of vulnerable populations were crafted. Through Amor Marketing, where I serve as CEO and CoFounder, I create pathways for youth and minorities in California, collaborating with the Beverly Hills Chamber of Commerce and VICA. My goal is to be a role model, empower Latino communities, advance democratic values, and open new spaces for inclusive growth and positive impact.
